

Update RENTAL ASSISTANCE

IMPACT Community Action has a very limited amount of rental assistance available. This funding is dedicated to support customers currently in eviction court facing immediate eviction.

If I apply for rental assistance at eviction court. How long will it take the application to be processed?

In order to completely process an application, the following steps are taken:

1. Application created
2. Documents submitted
3. Landlord needs to agree and complete ALL paperwork
4. Check for duplicate applications at other agencies

The time period for this process can vary due to submission of all documentation and verifications. On average it can take 30 days.

I heard there was a lot of ARPA money available for rental assistance- but I am not able to apply for help other than at eviction court?

Over the past 3 years **IMPACT has provided over \$125 million in rental assistance** to more than **50,000 households** to prevent eviction. American Rescue Plan Act funding which was tied to COVID relief efforts and provided to assist eligible households with financial assistance for housing stability services, and eviction prevention activities will end December of 2023. However, IMPACT is committed to working to help people at eviction court until June 30, 2025. Currently, we have **no rental appointments available** unless you have a court date and are present at Eviction Court. If you have applied for rental assistance prior to September 1, 2023, your application is being processed.***

***process of application does not guarantee that full amount requested will be approved.
